Commissioner for Patents

Alexandria, VA 22313-1450

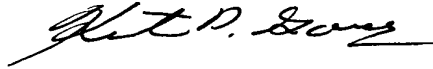

Sir:

Applicants appreciate the courtesy shown to the Applicants' representative by Examiner Sorrell during the June 29, 2006, telephone interview. The following is the Applicants' separate record of the interview.

During the interview, the Applicants' representative presented arguments that the Amendment filed on June 27, 2006 distinguishes over the applied references for the reasons

presented therein. The Examiner agreed that the Amendment overcomes the prior art of record, and the claims are allowable over the art, but that an update search is necessary.

Respectfully submitted,
